

TO,

The People HR...

Subject: Tarnished my honor.

Respected People HR...

This is to draw your attention to one of the serious matters of our department that is creating lots of problems for me. As you know, I am working under the people department. Mr. Adnan (ALSM) behavior has been intolerable for me because Adnan tarnished my honor and hurt me a lot. This is very embarrassing and painful for me & my family. I want you & your team to ask them on what basis these people made such a big accusation against me. You are requested to please look into the matter with your keen interest, formulate a committee that inquires the case imprudent way, and submit its recommendations that are in the department's best interest.

Our honor is in danger from Mr. Adnan & Also Zarshad because zarshad know everything And he said to shema why you told them. His job is taking action, not telling people why you said it.

And four people are involved in this case who are taking the name of each other.

Name of People.

1. Mr. Adnan(ALSM)
2. Zarshad(UCPO)
3. Shema(Area Supervisor)
4. Ghazala (Area Supervisor)

An early action in this regard shall be highly appreciated.

Yours Obediently,
