Dear Dr. Asif,

As per your suggestion in the appended email, I visited cattle colony UC – 3 for the investigation of the incident reported by Area Coordinator Dr. Ayaz.

After a thorough investigation of the matter from the UCMOs, UCCO, AICs, and UCPO, it was revealed that AIC Ms. Uzma misbehaved with the UC-level staff and used abusive language. She misbehaved with the UC-level staff because after taking training, they informed her that we are not hiring her for the coming campaign. UCPO was not found guilty in the matter.

The written statements of the above-mentioned staff have also been taken and will be shared if required by you.

UCPO Ms. Ansa is currently working at UC-5 Sharafi Goth as per your suggestion on a temporary basis. Kindly give your recommendation in this regard.

Dear Mr. Naveed,

With reference to below email of Area Coordinator and your response below action is suggested:

1. Temporarily shuffle UCPO Ansa from UC3 Cattle Colony to UC5 Sharafi Goth Landi (within district Malir)
2. Meanwhile CTC Investigates the matter (discuss schedule of investigation with Area Coordinator Malir)
3. Based on investigation findings - take disciplinary action and conclude the matter

The above suggestion is based on my visit of UC3 Cattle Colony on 13-10-2022, where I held a meeting with THO Binqasim, Both UCMOs of UC3 Cattle Colony, UCPO, UCCO and Area incharges.

Submitting for your necessary consideration.

Dear Dr Asif,

Its bring into your kind notice that we received an email from AC Malir regarding the attitude of UCPO MS Ansa and has asked for immediate suspension and also recommended for her immediate termination. On the other hand WHO FO has declined her transfer to Sharafi goth and suggested with final warning and to observe her performance in same UC. She has attitude problem so can repeat the same in other UC which can hamper the work of the program.

Your kind comment/feedback is requested in the subject matter.

Dear Naveed,

As per our telephone conversation today regarding UCPO Ansa's again seriously misbehaving and abusive attitude today at TSC during Area Incharges training which caused serious panic there.

You are requested to kindly suspend her services from UC 3 cattle colony and her immediate termination is suggested after discussion with DEOC core team.

Waiting for your very prompt action as serious pressure is mounting only due to her worst attitude.

Dear Naveed,

I would request you to call UCPO Ansa personally and counsel her and clearly sensitise her on work place SOPs.

To the best of my knowledge, information and my personal sitting with her I found her more guilty of making things worst in UC cattle colony which is draining UC with high no of priority population.

It's almost impossible that she remains in cattle colony and things get better so I would request you to move her in sharafi goth with very very last warning as she also agrees to go there but if she has changed her mind and not agree to join sharafi goth landhi than we do not need her services in District Malir.

We will keep her performance under laser focus in UC sharafi goth and if she does not improve we will let you know with recommendation of her immediate termination.

Since pre-campaign for October campaign has already been started so I would request you to transfer her from even tomorrow so that she can start working in her new assigned UC.

Hope I am clear but if any confusion let me know please.

Respected Sir/Madam,

I am Ansa Jabeen working as an UCPO at UC-3 Cattle Colony, Bin Qasim Town, Malir

I have been performing my duties from the last 4 years, despite re-allocating resources to the entire UC so many times I have managed the affairs very well.

UCCO always making false complaints to my seniors and threaten me through fake means, he also misguide the staff (AICs and Teams) at the duty station about me and told them this is last Campaign of UCPO Ansa as she is our guest for few days.

UCCO is Local and resident of Jumma Himayati Goth and spread false conspiracy/misguided community regarding my character wrote a petition against me under a fake association which has no truth.

He is trying to create bad image of mine in minds of both Community and in my seniors and it will be the main reason to suspend or removing me from the UC for which he devises separate conspiracies.

He is mentally torturing me and interfering in my work from last ten months and also hurt my repo by complaining to everyone.

I have doubt of their Refusal coverage which led me to change/reshuffle two area in-charges taking UCMO in loop, after being informed about said changes UCCO came and

Pointing me with his finger and shouted at me and he said Comms team (UCCO and ALSMs) will not support in both Area's and lodged my complaint in the district and also made false complaints against me to the DCO Malir.

UCCO has been disrespecting my seniors by spreading fabricated rumors every time .

He has been torturing and harresing me mentally and physically.

* Foul language was used on me in front of the staff.

* There is no problem in my operational work. I have been performing my duties here for the last 4 years. I have never had any complaint about my behavior.

* Before this town I have worked in two towns in Korangi district I have been associated with the polio program for seven years I have never been displaced or transferred but only because of UCCO ties .

I have been already informed many times to EOC & DEOC core Team verbally and also in written via email.

* I am mentally upset here so I kindly request CTC to transfer me to UC 05 Sharafi Goth Landhi Town so that I can work in a positive environment and be involved in this Nobel cause till the eradication of polio.
