Dear Vendors (CTC / PEOPLE),

The following issues related to this matter need to be inquired

- Was UCPO directly / indirectly involved in taking onboard his under-age nephew as transit team member, despite availability of other suitable options?
- Was UCDO directly / indirectly involved in taking onboard his brother as transit team member despite availability of other suitable option?
- Are the UCDO / UCPO involved in restricting Area Supervisors from monitoring / supervision of this transit team?

Please initiate an inquiry into the matter

Dear Tahir,

Please stop this transit team from working until suitable members are found and deployed

Subject: [EXT] Teen-ager & Rakshaw Driver at Transit Point UC Jogani.

Respected Seniors,

As shown in pictorial view's, transit team at Sarkani Stop UC Jogani, one teen-ager, the nephew of UCPO M Hussain was deployed since day 1st of campaign.

This child know nothing about vaccination, it's modalities, found very innocent and untrained.

The 2nd member was trained, above 18 year's, the brother of UCDO Shahid Ullah, but he was found absent for around 30 minutes.

He handed over vaccination kit to a local Rakshaw Driver, who usually awaits at stop for local riders.

According to AS, that we have been just assigned mobile team's and restricted to supervise transit team's.

Note: This teen-ager was also deployed in NID May 22.
