Subject: Reference for Mr.Rehans Zareef TPO Pindigheb.

Dear Sundas

I am writing this email in the reference of your phone call about the reference of Mr Rehan Zareef working style /Behavior /Character.

I have known , Mr Rehan Zareef for the past 2.4 years. he worked as a Union council polio officer under my supervision in 2021 , January to April & later he worked as a TPO in Tehsil pindigheb . Mr. Rehan has strong work ethics. In my tenure of District Attock he has maintained a performance which has kept him in the top centile among his peers and colleagues. He is a conscientious officer, very reliable, a quick learner and has strong work ethics. I never been found him suspected of misconduct/Behavioral issues or I called any verbal or written explanation on his performance . Neither I received any complaint from field staff regarding his work or performance or misconduct .

As a TPO he was he performed his tasks with honesty and best manners . He was punctual in duty. Very rarely I called him in District Office Attock for any tasks if SIA or DSRC meetings dates were near to weekends (Saturday /Tuesday) otherwise he was responsible to perform his duty in his assigned Tehsil .

Let me know please if you need any further information that was helpful to you .

Regards
