

Subject: Show Cause Response:

This is reference to letter received dated 7th April 2023 regarding explanation for misconduct.

It is humbly stated that I have been working in the Polio Program for the last 8 years. Initially I served as a UCPO in UC Mullan Mansoor from 2016 to 2021 & was promoted to the post of TPO in Tehsil Pindigheb in April 2021. In last 8 years I performed my duty with dedication and honesty and never got any verbal or written explanation from my seniors regarding my performance or negligence in my work, neither district health management team raised any concern over my tasks and my previous best evaluation are evidence of my work and efforts.

As a TPO in Pindigheb I always tried to give my best in assigned tasks of Surveillance and Supplementary immunization activities. In this duration indicators of surveillance especially NPEV improved than previous years which is evident of stool samples monitoring and cold chain. I completed all my monthly assigned tasks on time i.e. visits of fix site, outreach, H-H clusters, and all are uploaded on SES App. In SIA activities I always give my honest feedback in pre-campaign, intra campaign and post campaign activities for the betterment of program. I never give favor to any person for my personal interest.

During the month of February and March I spent days in Attock district office as per direction of my first line supervisor DSO Dr Sajjad Sahb. Only purpose of this was to help him in surveillance review preparation & assistance to the new DSC Dr. Babar in office work. During my stay in Attock office I marked my attendance in Attock, and it was in knowledge of all my seniors. In the absence of Dr Sajjad Sahb our area coordinator Dr Mumtaz Sahb, Dr Khurram Sahb and External Monitor Dr Rizwan Sahb did surprise visit of Tehsil Pindigheb and I was present on my duty.

For my performance, honesty and dedication toward my work you may contact to Supervisor Dr Sajjad Ali Khan DSO, and My Pervious Superiors Dr Khuram, DSO Dr Jenzaeer Mehar , Dr Mumtaz Khan Area Coordinator and Area Coordinator Dr Mohsin Alvi as Well.

I am performing my duty with full devotion and dedication also will be perform my duty with same zeal and zest in future for the polio program.
