### About Team :-

UC Unnity Town team is almost very  
good well educated but they have  
some problematic females which always  
arise problems for other team member  
as i have discussed with Committee that  
our one CHAI Nazo Involved in Taking  
moneys from CHAIs, ALSM and also has  
reported from Community that she has  
taken money and Promised that i would  
return it but she did not.

mostly our team members are very punctual but <sup>(3)</sup>  
Some time when seniors comes and talk with  
them <sup>ask</sup> questions they <sup>feel</sup> confused due to this confusion  
they did not give satisfactory answers we gave  
them full trainings <sup>through</sup> multimedia, through stall method  
but some times this issues occurs.
