Dear Concern,

It is your kind knowledge, today incident reported in Uc-06 frontier Colony SITE West area sherkhanabad,Aspv Rubina and chw Ayesha kainat mis-behaved with house holds regarding that issue of found 1 No Team *(team visited but missed the child)* I have took cluster at Sherkhanabad during cluster I have found 1 miss child in 0/0 house Team visited in

morning but child missed but child arrived from 1 week,I have talk to house hold regarding their child he told me I have resident now due to my new born child I'll now and then I have to Ucpo Musfira for confirmation with females they talked them and confirmed child missed the team there,I have called to her Area incharge rubina and discussed she shouted and said there why you told my senios Etc, with all the ladies of house holds and also team at the front of Ucpo Musfira, Ucpo counseled the workers and go back outside then I have told to the team and AIC pls sweep the area as well protocol team shouted in street and then male house hold reached on the gate due to voice is loud of CHW,and too much shouted there and Community Crowd is too much there but Team Non stop Mis-Behave and allegation to house hold,then I have counselled and Extremely sorry for worker and AIC Side they took my cell number for any query,I have also reported this issue in Official group but no any immediate response to us so what we do there for crowd controlling,kindly look into this matter due to Community risk issue.

In 2nd time AspV Rubina shouted at the front of me,first time in TSC due to Microplan issue which was already reported but No response and 2nd time with Community.

And I have also visited refusal house There are 3 children under 5 years,chw Ayesha before visiting the house update reason in vaccination status coloumn mentioned R,so I have asked the team why you update the reason before visiting team said I have known the reasons of these children's before visited the house due to team said I have no access to go this building whenever we have asked with AspV Rubina and whole teams of Uc Uc-06 frontier Colony pls share these house they are No response or No data house but team and AspV's no share with me but now I have caught that house so team said Sir I haven't to go due to Not access,then I am checking book completely and check the vaccination status in all 4 rounds are there in Book,these child's record Refusals and then found AV in all the rounds and 1 time covered by the team due to just Circle of the R status,but team in real time told me sir I have No seen these children's till yet and Not covered in single time, UCCO and ALSM just share me pic or the finger marking of these children's or I have seen the finger of these children's in ALSMs mobile and the took the part of Coverage,these house also Visited by Ucpo due female required there for talking with female house holds regarding No Access house means No response,gate knocked multiple times,gate opened but suddenly closed due to they watched polio worker, sherkhanabad area totally drainage and high-risk,it's humble requested to all kindly look into this matter.

Note: I have attached a Registration book picture
