Revised Email,

Respected All,

First I have discussed in session regarding Ayesha Kainat absenteesim,operational and behaviour issues found in recently before month and older months.

Secondly discussion regarding Allegation of my wife character of Chw Ayesha kainat and UCCO Azman and then Conducted a session of District core team regarding this issue and DCO madam Rabia accepted these and told me next time it's act would not be conduct from my side and then called the personal matter otherwise my wife went to her home for asking why U allegated me and my character with other persons with bad habits so Chw Ayesha kainat changed her statement,sister I hadn't any Allegation or talking of your character then my wife asked again so she accepted and said to my wife these type of talking starting of UCCO Azman and then me,she Apologized with my wife in written paper,I have also attached in revised email.

Pls find the attachment of Apologized letter.
