**Subject:** Closure of Case: Lack of Supporting Evidence

Dear Sir Waseem,

It is to inform you that the case reported against Ms. Nazo working as an AS at UC Sheikh Junaid Abad [SMT] has been thoroughly reviewed but unfortunately, regardless of numerous requests, we have not received any supporting evidence from the complainant.

An official letter was also issued to the complainant to share any evidence despite our efforts to gather information and address the concerns raised, the absence of corroborating evidence makes it challenging to proceed with a comprehensive investigation. Therefore, we are suggesting closing this case.

The letter has also been attached for your information.
