Dear Mr. Shahid,

Greetings!

As Jogani falls into Dr. Farman's block after August 19, 2019, I am not a 100 % sure about his field attendance from that time onwards. Before August 19, 2019, I have visited UC Jogani multiple times without previously notifying Mr. Rauf regarding my surprise visit and every time I did visit Mr. Rauf has been present in the field.

Regarding his overall performance, Mr. Rauf has done a more than satisfactory job being the UCPO of UC Jogani. He has also worked as a UCCSO for UC Jogani till the recent appointment of the UCCSO for UC Jogani. I haven't found anything suspicious in his work ethics. I also have recently sent his appraisal.

The only issues I have is regarding his Microplan quality and his punctuality when it comes to submitting pre-campaign data. There have been times when he has been late in sharing his location but every time he does, he is in the planned area for the day. Technically, he is sound in his knowledge and when in doubt, calls for support from his supervisors.

Regards,
