Subject: Re: Request for Your Response - Investigation Case of AS Nasima Vs UCDO Zai Ur Rehman

Dear Mr Ahsan,

As you know, UC Trata has no proper health facility and permanent team support center. The only school in UC provide them space only in campaign and training days. Rest of the month they have get together in other places for program related activities. So blame of concerned AS that UCDO call us for a meeting in different places is irrelevant owing to the above discussed reason. This issue is also present in other UCs like Muchan, Cadet college, Batezai etc.

Secondly the blame of concerned supervisor for harassment is baseless as she had not provided any evidence for this. During my investigation her under supervisions teams reported her rude and harsh behaviour with them. Non of them reported any type harassment of UCDO with any female staff in UC.

Therefore, in the context of above discussed points, I would suggest to issue warning letter to concerned supervisor Nasima Bibi.
