I want to state that I Zia-ar-Rehman
UCDO trata disagree with the blames
Naseema have addressed against me.

I have reported the issues about
the concern AS properly with my
supervisors, through a proper channel.

AS i have reported the
issues about AS Naseema about
not reporting actual data & does
not report data timely, and

about the bypassing her
supervisors and all the DEOC

and share the issue with
District persons. She was found

accountable about not supporting

chaw in field. She was also
found accountable about becoming
personal with CWS, she does
not report the data through a
proper channel, and also blames
false statement against her
supervisor.

The issue she addressed were
also shared with Federal monitor
Dr Asif.

A handwritten signature in black ink, appearing to be 'Dr Asif', with several horizontal lines drawn through it.
