Dear Sir,

Concerning the below matter,

The HR team visited the Concern UC and investigated the matter,

We came to know that on the 4th day of the campaign, a house was visited by CHW (Sher Bano) that was locked in the morning, as per practices this house should be counted as N/A house,

On the same day, the ALSM visited the same house and found the door open and that family refused vaccination due to back-to-back campaigns, but the ALSM was successful in convincing them and covered the children on the same day,

in this scenario, the family will be counted as a refused family instead of N/A.

The case was discussed in the evening meeting by the officers of the UC level, and all agreed that this matter was closed, The HR team came to know about the misbehavior of UCPO Iftikhar with staff and tried to pressurize them which can create more problems in upcoming days and their teamwork will be affected.

Note: written statements of ALSM and UCCO are attached for your better understanding.

Thanks & Regards,

Hazrat Bilal Barki

Respect Sir

Issue was raised in day 4 evening meeting regarding Conversion of miss children status. NA status was changed to the refusals while the correction was done on same day.

Respected Sir I hope you are doing well.

Sir I'm writing this email to inform you regarding a matter of concern and violating Guide line of PEI programme.
Sir on day 4 of Campaign I ask from area 1 CHW Sherbano that how your 3 refusal coverd yesterday. She told I change the staus of NA child's on the instruction of ALSM Rida for Coverage. Sir on day 1 same ALSM change staus of Refusal to NA with CHW Shahnaz .the logic behind asking from CHW Sherbano is I aware from the Refusal of the area 1.
On Day 1st of campaign I guide the ALSM Rida to fallow the guide line .on day 4 of campaign matter not discuss in morning as ALSM was not in CD Nothia qadeem .matter discuss in evening meeting in presence of uc officers and upec .This is her 2nd time in this campaign. In evening meeting she accepts her fault.
