

During campaign NID Nov-23 AS SHAHZON Reported issue of CHW Sameera provided fake coverage of Recorded NA children who taken in coverage. After validation of covered NA children following findings has been found

→ A child at House#4 Day#1 recorded as NA (lock House) and taken in coverage by CHW. Even the said child is found unvaccinated at Day#2 as guest at CHW nagia area.

→ House#90 a child ulfar & alta Rehman recorded as NA & taken in coverage, ~~and~~ after validation no finger mark found.

→ House#69 Day#2 child vame Sumaira, taken in coverage but child is still not at home.

→ H#114 child jabin & amina recorded as NA & taken in coverage at same day, but the child is vaccinated today at Day#3 morning by team D, the team provided coverage data in advance.

→ House#73 child vame Ayesha is taken as NA, (lock House), taken in coverage but the house is found still lock.

→

→ These '2' cases investigated by MS status as the
end of day.

→ case #6 H#174 a child in taken as recorded
NA
& in coverage after visit the the
children found unvaccinated at house.

7. H#137, 2 children abu zar & Iqra
are recorded as NA (lock house) but after
visit the house is found lock.
