Subject: RE: [EXT] Application transfer TDO from uc Aghbarg .

Dear Ms.Lubna,

Thank you for your email and I hope this message finds you well. In reference to your email below, I have discussed this matter with CTC-HO and as per their guidance, initially we will prepare an preliminary report of this case, which will be shared with the WHO-PO for their review and approval of investigation. Subsequently, upon final approval from WHO-PO, further investigation will take place after the January Campaign. In the meantime, during the campaign, I kindly request you to assign this UC to another TDO to avoid any potential issues.

Very much thanks for you understating and support.

Regards,

Basit

Dear Ahsan and Usman,
Hope you will be good.

As per reference of below email of UCPO Aghbarg regarding collective resignation application.

The CTC team is requested to probe the matter as UC staff, AS and CHWs has been reported in iperational issues and warnings were issued to them. The UCPO were reported for incomplete micro planning, fake attendance of transit teams. The AS and CHWs were reported for not following instructions , uninformed absenteeism and operational issues and some kinships. These all-issues actions has been taken on the recommendation of TDO that's why the UC team is now blackmailing the higher ups with this application. Therefore, CTC team is requested to inquire UC team for such application and share the report with me and Dr Safdar.

Regards,

Dr Lubna Adnan
