Subject: [EXT] Immoral event - reported from UC Maira Kachori- UCCO

Dear Dr. Arshad Faheem sb,

It's to share that on catchup day 2, Sunday, 5 November, 2023, I received a call from UCCO Nabeela, UC Maira kachori and then from CHW Raina.

CHW Raina shared the event that early morning on catchup day 2, ALSM Robina was going towards UCCO Nasir Baitak and how she chased her.

CHW Raina told me about the UCCO affairs with different CBV staff and how he used to trap females for immoral activities.

1. My and CHW telephonic and conversation recording is attached FYI and assessment.

2. Attached are two videos in which CHW Raina tried to shoot a video as evidence.

3. Attached is the CHW Raina written application about the incident.

My analysis is that the situation happened in real but now the need is to deal and solve the event tactfully so that the families enmity could be avoided.

The UC is under performing and such illegal and immoral activities are the factors too.

It is suggested to transfer the UCCO Nasir to Chamkani immediately.

I am sure that seniors will deal with the case in the best interest of UC and the programme and to discourage such environment in UCs by taking immediate actions.

Regards

Amna Khan
