

CHW and AS given verbal statement to me in field, later on IO Dr Afranab was called to field and the concern gave verbal statement to IO, IO requested for written statement which ^{for} CHW gave and Emailed.

An incident was occurred during team training at Feb 2024, MR Junaid UCOO told Rukhsana CHW that ~~dot~~ pata nahi kis zaat sa ho, CHW Rukhsana came to me and told me and given written statement which is Emailed.

AS & UCOO has a WhatsApp Group on VC level, only AS & UCOO are in that group. UCOO gave intimation in that group which is followed by All AS, and they not taking me in loop.

A few days ago ⁽²⁾ A link was shared
to show Best Names of Staff, which UCO
Junaid submitted without informing / taking
me in loop or without discussing, Same
HR CTC came Madam Javaid & Sir
Asif for AS Test & interview, Sidra
was informed but she didn't communicate
to me. This was reported to Tpo Javaria.

Harassment:- As per my observations
and being UCO of HRK-2, there still
exists.

Local Community is also reporting
that female and one male UCO
Junaid sit in BHO till late
and also door is locked.
The issue was reported to
Dr. Naveed.

Chafiq
UCO
21/4/2024.

Upon Assessing and Joining H2K-2 ⁽¹⁾ No one was
Accepting Me As UPO.

There were having A lot of coordination issues ⁱⁿ ~~with~~ ^{between} Comms & Opps teams. Both Coder's are targeting each other, Mostly families are not Refusals in field and headed in Refusals which is reported to ERV.

A Inquiry was on UPO in June/July during Campaign. AS were instructed to go field while few AS and UPO Sidra were in

City hospital and were writing statement there. People HR was also called there.

An Inquiry was conducted but still No thing was proved. Allegations were on me but No Prove and nothing proved on me. During All these phases No To and No TPO was there and All issues were communicated to TCO Arbab bilal Sir.
