Subject: Re: Request for feedback regarding UCPO Wasim Gul

Dear Shahid

Thanks for the email and giving me an opportunity to submit my comments on the subject matter.

It is submitted that i joined SMT block as PEO on 8th July 2019. After my joining i was informed that the inquiry against Mr Waseem on the allegations mentioned has been concluded and filed already.

When the said inquiry was carefully pursued it was revealed that no one from the parent organisation of Mr Waseem was taken on board and the allegations levelled against the said officer were baseless, Furthermore few district officers part of the inquiry committee were biased.

However i discussed with Dr. Rizwan AC Peshawar during a meeting to shift the services of Mr Waseem to any other Uc out of SMT block.

During my tenure i didn't receive any kind of complaint against the said official as far as my opinion is concerned i found him an honest ,hard working and dedicated officer.

Thank you & Kind Regards

Dr Mussawir

Dear Dr Mussawar Maznoor,

Greetings!

Please be informed that DPCR had recommended UCPO Mr. Wasim Gul for termination of contract due to unethical relationship with UCO and was retaining CBV staff at CD till late hours. Kindly your feedback is requested with regards to his personal character and the overall scenario as he has worked under your supervision.

Thanks & Regards,
