Respected Seniors,

I am writing to bring to your attention that the issue was reported during my tenure at UC Daag, where I was stationed at the time. Now, I have been transferred to UC Pajaggi.

I had anticipated that the inquiry process would be conducted in my presence, but unfortunately, that did not occur.

Due to the traumatic experiences I was very suffered during that period, I am not wanted to revisit the BHU Daag. Moreover, considering the significant delay of 3.5 months since my initial report in May , I question the necessity of my presence for the inquiry.

Therefore, I kindly request that If my presence is mandatory in this inquiry, I respectfully request that the inquiry process be discontinued.

Regards
Zainab
UCOO
UC Pajjagi
