

Case Investigation

UC 13C.

I have taken over UC 13C in the month of April 2024, when Mr. Razaq was shuffled from 13E to 13C for the betterment of CBR program. In my this tenure I found Mr. Razaq and Ms. Sonina that they both have their personal conflicts and resultly the UC got failed in September round.

Basically the both have the dominance issue over the teams. In this tenure I suggested to shuffle both of the UC Staff. Further I have observed that Mr. Razaq is involved in political activity ~~was~~ but due to lack of evidence he was not reported.

In addition I would like to add that somehow the lobbying and grouping in between both the UCPS and UCDO are also observed.

Therefore I would suggest to issue warning and shuffling of both UC Staff.
