

My name is Shabana Haider code 2083, I came from the UC ward 8. I came here to submit a complaint against my UCOO Nizam from whom I am extremely fed up. He came all five days of campaign in my area. Khan baba, me, CHW Asia and Aneesa was also present at that time when he asks me to come on that side, and told me, you and I will go to the DC office. When I asked him why, he told me because I felt in this way. After that we receive the training session where he accuses me for stealing and also told that I look like that UC lead to this UC. When I question him, he told me to shut up. He used to tease me for all the things, reported me and insulted me Infront of everyone. Once CBO Asad Ullah came to me area and said, congratulations on the foe with UCOO Nizam. When I asked him why, he told me you will get to know about this soon. When I asked about this matter with UCOO Nizam he said oh I see, CBO Asad Ullah told you about this. Whenever I report my any teams, he told me I will talk to them, and when I want launch a formal written complaint against them, he stopped me. and told me I will give them verbal warning. When in the last campaign, my mother got sick and I need to take her to the hospital he teased me to submit the reports as soon as possible, and did the multiple voice notes for the reports. He told me that on 04 Nov-2024 you will went to DC office right. Next day when my cousin Asmat ullah meet UCOO Nizam because he was concerned about me that why UCOO Nizam is behaving with me like this way. He said bundle of wrong thing about me. He told him that she went to one refusal house, take off her vail and was forcing them. When my cousin asks him, which house is it, he told him, "I do not know about the house", one man from their house came to me and reported me all the incident. Furthermore, he said that Shabana left her area and went to Jinnah town. Her team CHW Aneesa told me about this and her teams tell me all the things about her. They even told me there are two cats in her house. And Shabana told her brother why they both do not do sex? In which my cousin said that they are not ashamed to talk like this. After that, UCOO Nizam starts laughing and told him I know them from a quit of period. Then my cousin asked him Sir tell me if they are involved in any bad deed, but he said no I was just saying it like that. Then he added, Shabana did not dress in a modest way, even I ashamed to looked her. In the response, my cousin told hm, Sir you are their supervisor and you looked into there dress. After that UCOO Nizam just stop talking about these matters. Yesterday dated 4 Nov-2024 when I went to BHU to marked my attendance and ask my cousin to be call so I can talk to UCOO Nizam. When I confronted him, he said he did not say any of these things. When Kosar get show cause letter he told them do not worry about this I write you letter. When Saira told him Sir you know there is issue in AS Maria data. He starts laughing, and said yes know all about this they are two missed children. On dated 4 Nov-2024, when I told Nizam I will go to the CTC Office he said it is just waste of time and money.
