

I am AS Maria, today I called in a CTC office. They ask me about AS Shabana and CHW Rabia.

CHW Rabia is not a good girl, she teases her AS about the work and mostly she was not present in the field. And AS Shabana also treats her team very badly and gave their numbers to his boyfriend. She motivates her teams to take the wrong path. If they don't listen to her, she teased them for work and report them. She has completely spoiled the environment of our UC.

I did not see any bad thing about UCOO Nizam, so that I say something bad about him. He is strick about work. Neither he said anything wrong nor he do any thing suspicions. He made the UC environment very pleasant.
