Case Chote gawad,

with reference to our discussion regarding the case of UC Chote gawad, where team has mentioned that Taj Muhammad (TDO) has called a meeting there m. Aurangzeb (Area Supervisor) had misbehaved and threw the chair in aggressive mood here I would like to mention regarding the said case. in that meeting nothing like that had happened, if such a situation took place I reported at that time. Therefore this can be a blame and nothing else.

Regards,

Taj Muhammad
