

Case Investigations

UC 13D

The Case of Ms. Rukhsan CHW UC 13D was discussed by HR team. As CHW Rukhsana has not discussed the case with me neither the UC staff, as it was the case of Harassment, but as far as the character - Mr. Mehmood is concerned has not worked with me under supervision me. But I have heard regarding Mr. Mehmood that he involve in such a activities in other UCs. Once I found him in B-B area where he was sitting with Mr. Haman area Supervisor of B-D. so I warned him verbally to avoid to visit other UCs.

Secondly when I was looking into Sadar UCs in Chidagawadar UCs he used to come of duty but there he was not involve in such a activity neither I felt nor any staff member reported.

Here I would say that he can be involve in 13D UC as the CHW has shared all the evidences to CTC Staff.

I would suggest CTC may take action against him as per policy.
