

Answer regarding Izhar & Laiba issue

Dear C/C,

As per my statement, that on night 27 Sep, 2024 I was in family functions and on 7:49pm, Izhar (As) called me that in our center some irrelevant talk has discussed that Izhar and Laiba are gone for tour-trip and I said that Izhar I (WCO) has no idea about it and not even a single word about this scenario. Right after to mint Laiba call me and tells the story as Izhar told me at earlier. After that I told him that I will aware my seniors about this issue and you people think that its all rumors and we didn't go anywhere as per rumors, I will call enquiry and sort out this matter according to our C/C policy. My both weeping and told me that I am girl and if a single Allegation is put on me so my image in the Society will be not maintain and every raise its finger on me. So after this I have no proof / Evidence to report this issue to seniors. So in case I reported that this issue without proof a lot of personal issues will be created to me. → on 26, 27 Sep Izhar and Laiba and on 27 Sep Azra, Neelam, Khalida was on leave. and ~~gaffy~~ (Ara) @

→ After 2 (26, 27 Sep) Laiba join duty regularly white

Izhar was on medical leave. (26, 27, 28, 30, ^{1st} 2, 30th Oct).

Laiba told me that I will come to center and took one letter for my Inquire my body Parts of a single sign was seen on my body (Accident Sign).
