

I am Recently shuffled - to UC Hayatabad II

UCCO Hussain Hayat is specific about her Job. If we give any task - to the workers/As he want Response from them either - they completed the Job/Task or not. Secondly CWO Gobia Ghulam was - to shuffled - to phase 7. The matter was discussed with his ^{block members} by UCCO Hussain but she did not responded and neither told her As - that she want shuffling.

A few days back she meet me in and told me - that I want - to shuffled to phase 7 so I told her - that Give an Application - to you As and she will than hand over - to UCCO. As we have already share ^{one} file with IO. #
