Subject: [EXT] FW: Marker recovered from relative of UCPO Fahad Zaman house in lalazar area.

Dear Dr. Arshad Faheem,

Reference to email below, a complaint was lodged that during a field visit, AS Ms. Suneela, CHW Ms. Nayab, and ALSM Ms. Naheed discovered a household in Lalazar Colony near University Town house 99 where household claimed Mr. Fahad Zaman had provided them with a polio marker . In addition to this, concerns about late arrival and negligence in work, including failure to take clusters and conduct desk validation, were raised. An investigation was carried out by the CTC staff on November 20th, 2024, to address the issues reported.

Enclosed, please find the investigation conclusion and recommendation.

Your endorsement is requested.

Subject: Marker recovered from relative of UCPO Fahad Zaman house in lalazar area.

Respected Sir,

I am writing to bring into your notice that finger marker (Polio) has been recovered from one house at lalazar who have admitted Infront of AS Suneela, CHW nayab etc that Fahad Zaman who is incharge of polio team has given them this marker on Friday 25th of October 2024 during pre campaign vaccination of refusal, AV children's. This was reported repeatedly AV from the last few campaigns having three children's.

If UC Incharge is giving marker to his relatives and they admit it Infront of both CBV and COMNet team, then what other staff will seek from it .

I have mentioned the detail of this family in letter attached below and request you to properly investigate it so that team may not be habitual of doing Such activities who become hindrance on vaccination of every children.

I hope you will follow it up on urgent and punish those who are involved.

Regard

PEI team UC Shaheen town
