

My name is Ayesha Jhangeer. My code is 2304, UC Qadri Abad. They asked me about some questions about our UCOO Hassan. I told them as much as I knew. When I was working on a code 2305, UCOO Hassan did the face verification to one of my CHW Musarat, and insulted me in front of my teams (CHWs). My team (CHW) Nazia used to come with UCOO Hassan daily on the field. UCOO Hassan had a harsh behavior with AS Shazia. Even If I did minor mistakes, he used to my scold me harshly. He did have a bad behavior.

He has 2800 of bill of doing breakfast but now they asked AS to pay the bill.
