

I am CHW Haseena, from UC Qadri Abad. Sir Hassan Always Supported Area Supervisor Mehwish and Mehwish used to differentiate between teams (CHW). From last three years Mehwish was an area supervisor and we were working under her supervision. In time of UCOO Hidayat, Mehwish was okay but from the day UCOO Hidayat Shuffle from our UC, Mehwish used to abase us. Mehwish gives three (3) NA, but if we did any mistake, she did not give it. If we did any mistake, she used to scold us but did not say a thing to the new commers. Mehwish asked UCOO Hassan to block me and he did. Because I called UCOO Hassan two times due to work. UCOO Hassan did not listen to us and used to scolds us. Because of all this I requested for a shuffling and now I am under of another Area Supervisor.

I listen from some where that UCOO Hassan told one Area Supervisor that He removed his shoe and told another Area supervisor take this shoe and hit her on face: why there is no coverage in her area? And I listen this too that UCOO Hasan used to badly behave with teams.

CHW Faryal used to come with her Brother-in-law so UCOO Hassan asked her to write a latter with whom she is coming to BHU or kit Station while he used to take CHW shazia along with him.
