

I am Zarmina currently working in UC Qadri Abad as a AS.

Our UCOO Hassan gave more importance to the AS Mehwish. He supported her in her work. As Mehwish thinks herself about then UCOO and therefore, she used to tease everyone. UCOO Hussan used to take Mehwish, Shazia, and Naiza on a bike with him. UCOO Hussan used to protect the AS Mehwish from everything even he used to take advised from her in each and every matter. He used to allow her early to leave form the BHU but on the other hand, he used to asked to sit other AS till Isha and Maghrib Namaz. He used to hide team Sharish all the mistakes who currently promoted in the position of AS just because she is AS Mehwish's sister. Whenever, I asked UCOO Hassan to compliant about her to the UC staff in written he said, I will give her verbal warning and make her understand the work. If someone had a bad behavior towards Mehwish or if someone does not listen to her. UCOO Hassan behavior used to get harsh towards that CHW or AS. We all used to sit in the class room while Mehwish used to sit in the office. UCOO Hassan always says that Shahwani and Lehri have an upper hand or have more power just because UCOO Hassan is Shahwani and AS Mehwish is Lehri. He always supported her. UCOO Hassan made the skitch on the board and said I want to hang (AS Sakina) like this. He even held a meeting after asking from the AS Mehwish.
