

I am a CHW named Naheed, working in the Buraq Scheme area. I was asked by the CTC office about Ayesha. The truth is that AS Kainat gave her brother Ayesha's number and asked him to call Ayesha and deliver MC books to her. When CHW Ayesha brought the books, her brother messaged her about 5 minutes later. He was also seen roaming around the Buraq Scheme.

When Ayesha informed Sir Taj, AS Kainat was scolded, and her family came to know about it. After that, Kainat's family members beat her brother. Since then, this boy has not been seen in the Buraq Scheme area. I request that AS Kainat be shuffled and another AS be appointed instead.

AS Kainat gave Ayesha's number to her brother, and he keeps harassing Ayesha daily. He calls her and sends messages. During the Big Catch up, a car followed us and kept circling around us for a long time. This car started following us from Buraq Scheme all the way to Hussain Town.
