

I Gulshan,

I got a call from (GTC) on 14th October 2024, about the complain that was filed by me against Taveed one year before at (PEPC)..

The proof of voice messages that was sent to my sister by Taveed was provided to Sir Ehsan in which he was saying to take the case back.

The rest of the screenshots & evidence are not with me because one year has passed but everything is present at (PEPC) as I provide it before.

Thank you
Gulshan.
