

I am writing to formally bring to your attention an incident of misconduct that I experienced at work. The Area Supervisor, Miwise, behaved in a disrespectful and unprofessional manner towards me. This behavior has caused me significant discomfort and has negatively impacted my ability to perform my duties effectively.

The actions and language used by Miwise constitute inappropriate behavior and harassment, which is unacceptable in a professional environment. Such conduct not only violates workplace ethics but also creates a hostile work atmosphere.

I kindly request the management to take this matter seriously and initiate an investigation against Miwise under the organisation's harassment policy. It is important to ensure a safe and respectful work environment for all employees.

I hope for prompt action on this matter to prevent similar incidents from occurring in the future.

Thank you for your attention to this issue.

Sincerely,

Fareeda Kakar.
