R / Sir ,

It is stated that [Chw Asiya code 1719A ] forwarded 45 days maternity leave application which is started from 23rd November 2024 till to 7th January 2025 . However leave of said Chw is out of policy, as you know from 28th November ' our free-campaign activities will be launched and she will be absent.

In other hand , one day she verbally informed us about her pregnancy and further said that she will take a maternity leave at the end of December. But unluckly , due to moderate free mature birth : she got opporated last day due to she is an hospital . Her health condition is critical as being UCOO requested you to grant her 45 days leave .

So Area-Supervisor will make himself available to answer and made arrangements with her supporter to ensure the work completely . Hence, her application and medical report is attached here .

Thank you for your understanding and support.

Regards

UCOO
