Dear Sir

I have sent you a what's app msg on 17.12.20 regarding my injury. My right foot spanned and ankle joint dislocated and fractured.

Dr. Kaleem Ullah Orthopedic surgeon city hospital Gilgit applied POP on my ankle advised 04 weeks rest after X-Ray. He told me first you go to OT apply POP then come back to me I will write medicine and sign the advise

After POP when I go back to his office he was not there. Next day I again visited hospital but the surgeon was not present so I go to DMS of city hospital.

After seeing my condition he advised 06 days bed rest and told me to come again to the concerned surgeon after 06 days further proceedings.

In this connection CTC sent me an explanation letter for absentee including 16.12.20 (I was on duty) I replied the letter also.

I didn't have the hard copy of leave application form on same day. Yesterday someone brought a print of leave application form i filled today.

Please find attached
