Dear Dr Sab

Reference to the below email where one of our CHW Kalsoom BB code 1645 UC Bostan has requested for maternity leave extension for 19 days more from 26<sup>th</sup> Feb To 15<sup>th</sup> Mar, 2024. As you know said CHW was on maternity leave from 5<sup>th</sup> Feb, 2024 and her delivery was expected on dated 15<sup>th</sup> Feb, 2024. But her delivery has held with operation on dated 10<sup>th</sup> Feb, 2024. That is why she needs for complete bed rest and therefore she has requested for leave extension for said period.

Now your's opinion is hereby requested for further action please.
