

Dear Waseem,

The PDA TORs were generic which led to some misunderstandings but now as per our detailed telephonic discussion, it has become clear to us which kind of candidates we need for this position.

Therefore, we will advertise the positions both PDA (South and North) and will complete the hiring process by next week.

If you need any further information regarding the same, please let us know.

Regards,
Naila Nizam

Subject: Re: [EXT] PDA North Waziristan Recommended Candidate List

Dear Naila,

As discussed, for PDA kindly review the candidates type included in the list, Check if they have specific experience related to working on Databases.

Kindly check the TOR and the relevance of the candidates included.

Secondly, the recommended candidate information is shared with Divisional Team before sharing with provincial office, which was not what we agreed previously. References are always checked after making offer to the candidate, in this case a single candidate reference is shared.

Please review the hiring process.

Best Regards

Waseem Abbas
