Subject: Request to issue explanation to SW Abid Ali

Respected ma'am

It is here requested that I am available at site crescent petroleum Service, SW Abid Ali is not available at site. On my previous visit on 14-Jun-2023 he was also not available at site and I have given him verbal warning not to leave site without any prior approval from supervisor, but he is not taking his job serious and continue his casual behavior.

You are here requested to issue explanation.

Thank you
Barkat Ali
