Mam need your guidance how to proceed with the following safety warden. He has utilized all the available leaves against his contract and still asking for more. He has been given multiple verbal warnings from sohail and written showcause, final warning from me as well but there has been no improvement in his behavior. Still he is asking for more leaves for his marriage

Dear Sobia,

Hope you are doing well !!!

It is informed to you that, as far as my concern about our project and its stability the performance of individuals containing the site and its staff performance. The situation and the irresponsibility of SW-Muntazir Mehdi increase the deficit between the site and our project goal just because of his Absence and non-serious attitude towards his job.

It is my request to my good office kindly take immediate action on him and do what is best for our project.

Please consider my request

Thanks

Regards
