Dear Tasmia,

Thanks for your email & request for the said response.

As mentioned by the first line supervisor, Mr Alam Zeb has made it a routine habit for not responding to calls (for PEI related tasks), refusal to certain tasks (like stool sampling of epid PB/11/24/556), reaching the UC timely, carrying hard copy of Micro plan during SIAs in addition to sending late & fake/different locations for attendance on CTC dash board.

Below are 5/10 attendance /locations shared by him in the last 10 days and they are not sent from his parent UC Bangash colony City 9:-

01/1/25, 9:11am:- Near Naval anchorage (25 km approximately from UC)
02/1/25 11:14am:- Near Kurri road (approximately 6 kilometres from UC)
03/1/25 , 9:11am:- Near Naval Enchorage (approximately 25km from UC & in Islamabad)
10/1/25, 9:33am, Near Chak shehzad (approximately 15 kilometres from UC)
11/1/25:-Neither attendance nor location sent this day ??
13/1/25, 10:07am:- Near Sadiqabad kurri road, approximately 6 kilometres from UC).

Dear Tasmia, in my opinion this is something serious & needs to be dealt urgently, including Disciplinary action & counselling of Mr Alamzeb to take his job seriously in upcoming future, as we are near polio eradication and can't afford such casual behaviour towards job.

Regards
Dr SHUMAILA AKBAR
