Q-2

Q.1 => MISSED children:

- Team are visit in any house then
3 child under 5 year 2 or Presint.
in this time but one is not Presint in home.

< Topic MISSED children:-

First visit of team in any house and schedule
in this house in under five year 2 are Presint
in home - then team is vaccinate and 1 are mis
So team complete the work and re visit.
- this house in 1 NA so second visit time
child in not Presint home.

Still MISSED children:-

First visit. team called is not at home

Same day to coverage re visit team this house
- then child is not at home and 2nd day

of campaign team visited house and

Still not at home So they called

Still MISSED children:-

Q.2

Q.3- Zero dose:

By birth to 24 month child are not vaccinated in any dose of Roten immunisation schedule is called zero dose.
