Dear Mr Waseem sb

Thanks for the email

Overall placement is okay but i think that travelling distance from Tangi to Sufaid dheri, Sherpao to UC Shahi bagh, Shabqadar to Nothia Jadeed, Khairabad to surizai bala, Rashakai to UC Adezai is quite a lot in my opinion, i hope that during recruitment process and placement that has been considered.

Furthermore, since Peshawar is super high-risk district and PEI activities are such that their presence in district will be needed to ensure smooth running of program activities, i hope that has been also communicated to them
