Subject: [EXT] Resignation due to emergency

Dear Sir,

I hope this email finds you well. I am writing to inform you of a matter that has arisen unexpectedly and requires my immediate attention. Unfortunately, due to a severe health condition affecting my mother, I am compelled to resign from my position of Admin & Logistic Assistant at CTC Pakistan. As per the organization policy, I understand that the standard notice period is 30 days. However, given

the urgency of my situation, I regret to inform you that I will be unable to fulfill the entire notice period. I sincerely apologize for any inconvenience this may cause and assure you that I will make every effort to ensure a smooth transition during the remaining 15 days(5th December, 2023 will be my last day with CTC).

I have greatly valued my time at CTC Pakistan and have enjoyed being part of such a dynamic and professional team. I am grateful for the opportunities for professional and personal development that you and the organization have provided me during my tenure.

I will do my best to complete any pending tasks and assist in transitioning my responsibilities over the next 15 days. I am more than willing to provide any necessary information or documentation to facilitate a seamless transfer of my duties.

I appreciate your understanding and support during this challenging time. Please feel free to reach out if there is anything specific you would like me to address during this transition period.

Thank you once again for the understanding, and I look forward to staying in touch.

Warmest Regards

Abdur Rehman
