PROVISIONAL DIAGNOSIS

INVESTIGATION/TREATMENT:

To whom it may concern

This is to certify that Ms. Sana presented at ASH-ER on 11/01/2020 @ No RTA. She had do left sided shoulder and knee pain. On examination there was tenderness at (L) shoulder and knee joints.

Xrays of (L) shoulder and (R) knee showed no bony injury.

She was prescribed Gas Ruberol Gak and Gas Remethan for pain management and anti-inflammatory effects. On OPD follow-up visit she was prescribed further medications as she had persistent pain.

Unfortunately, she has lost record of her visits at ASH.
