Subject: None availing of insurance

Dear sir.

With due respect it is stated that as i was in broken health few days back and i was treated by a local doctor.

Your good office has asked for submission of Bills, doctors prescription and x-rays for availing insurance.

It is to bring into your kind notice that I zarmina uc lead does not want to avail any kind of insurance. So my case must not be processed further for the above-mentioned purpose.

Regards.
