Dear Naila,

As per the request from Sindh office regarding the transfer requests of UCPOs based on their current locality you may proceed further with this transfer. Also you have completed this verification by your own source (reference email attached) therefore there will be no further confusions.

However, in case of any other clarity you may contact Ms Shaista.

Once completed please share with us the updated PTPP staff sheet.

Best Regards,
khalida

Dr Sir,

With reference to below, we have prepared NFR for transfer requests of 10 UCPOs in Karachi. Total 18 requests were received from Karachi UCPOs requesting transfer from current UCs to other UCs. Only 10 requests could be processed and rest of 08 requests could not be accommodated as requested UCs were already filled or not sanctioned.

NFR – Transfer request is attached. This task is awaited.

Dear Shaista your support is required to follow-up the NFR.

Regards
Asif Ali

Importance: High

Dear Dr. Asif,

Reference email below from Imran Ali – APW focal person from CTC, you are requested to share the attached sheet with all the Area Coordinators for Karachi Districts. Please instruct them to work closely with their PEOs to fill this sheets on priority for all the existing UCPOs. This will help the UCPOs to perform well if their UC of residence is vacant and they can be transferred (***UCPOs will be required to provide their updated resident certificates***). CTC once is clear about UCPOs placement can then further decide on filling the positions from the roster candidates or otherwise advertise the positions if roster candidates are not available for specific UCs.

Please request Area Coordinators to do this on priority since CTC is getting individual transfer emails. This if is done as an exercise once can make the process smooth and help avoid confusions. Thank you for understanding.

Best,
SA

Subject: Karachi UCPO's vacant Positions.

Dear Ms.Shaista,

Greetings!

Please find attached UCPO's vacant positions list for Karachi. As per current staff record some UCPO's are non-local to their UC's as this is already discussed in previous coordination meetings. Kindly review attached list and let us know if any staff shuffling is required. After confirmation from your side CTC will advertise the vacant positions of UCPO's.

Regards,

Imran Ali
