Dear Sir,

With reference to below placed email regarding Complaint against UCPO Mr. Barak Ali launched by AC he state that about the said staff performance issues. that staff staff did not attend the meeting which was conducted on 17th June 2020. further he stated that he visited the district 4 times for meeting and said staff only attend one meeting. further the staff continuously not sharing his live location in group. his micro census data not correct.

in the light of aforementioned complaint received by AC it is recommended to issue an explanation letter to said staff on account of poor performance and tardiness further action will be taken after getting stance from staff.

Subject: UCPO Ochri non completion of tasks and disobeying supervisors directions, absenteeism from field

Dear Sabeela,

I had visited the Barkhan district last week . This is to inform you that UCPO Ochri Mr. Bara Alik is not working in field as per his TORs rather his presence is questionable in the UC. I had called the meeting of all UCPOS of Barkhan at Rakni on wednesday 17 June,2020 to look in the performance of the UCPOs and give them new tasks but unfortunately Mr. Barak Ali didn't attended inspite of the fact that he was well informed by his UCPOs Colleagues and PEO Barkhan well in time . i had visited Barkhan 4 times in the last 16 months and every time i called meeting of UCPOs but Barrak Ali just came in just one meeting.

Almost one year back i had given task to all UCPOs to complete the micro censuses of their union councils but only one Barark Ali in the whole block fails to do it .

He had been given task of collecting Zero report of surveillance of just one site in his UCs but when i checked in district office 5 week reports were missing of that site.

all the UCPOs give live location in the UCPOs group but this gentle man never shared that.

i pernoally called him several times but his mobile is regularly coming switch off.

after remain absent from meeting he didnt contacted any body.

In such circumstances i am not sure that where he had been and what he is doing but at-least he is not doing his job.

As PEO Barkhan is ill and is on leave for the last few weeks , So i am writing it to you that strict disciplinary action must be taken against UCPO Barak Ali for not completing his tasks with no signs of his presence in the UC rather no signs of his any contact to organisation.

Regards.
