Dear Sir,

With reference to below placed email regarding explanation reply of UCPO Mr. Abdul Raziq on account of absenteeism.

As per the said staff statement he accepted that he was absent from the field from 3 days(15th -17th April) due to his illness and he could not informed his supervisor and CTC about his absenteeism

it is recommended to issue him **warning with 3 days salary cut** to avoid these type of non-professional behavior in future.

the Area coordinator comments are mentioned below.

your kind comments/approval is required so that appropriate action will be taken accordingly.

Thanks and Regards

Respected Sir/Madam

Good morning, April 15 Early morning I had a fever there was pain in the stomach as well. Sir, I tried to contact you But the mobile network was not working So I went to the city for treatment, Because in Qamardin there was no facility for lab. That same day I arrived in the evening to the city And went to the doctor. The doctor suggested an injection and some other medical test. On April 16 I went to the doctor again And show the doctor a test So the doctor suggested a week's medication. On the morning of April 17 I went back to Qamardin. Insha ALLAH Sir, Next I will not give you an opportunity to complain.

Thanks

Abdul Raziq
