Dear Sir,

I would like to explain you that the network facility is not available in most of area of my UC. so therefore some days we could not share headcount due to unavailability of network. I always available on my duty station & PEOs are visit time to time for checking.

Dear Sir, it doesn't show lack of commitment to the cause and negligence on my part.

Ucpo: muhammad nouman khan

Duty station : dran1

Central orakzai
