ok Agreed.

Actually PDA did not share the head count with me, due to which he had been marked absent.

Respected Sir,

Hope you will be fine.

Regarding the subject above we were asked to share daily head count with Mr. Shahzad Hassan and the same was shared with him on daily basis.

Though I have very rare access to mobile network but still the details were being shared with the concerned person.

As a proof, Screenshots are attached with this email for farther clarification.
